

63G-2-304. Controlled records.

A record is controlled if:

- (1) the record contains medical, psychiatric, or psychological data about an individual;
- (2) the governmental entity reasonably believes that:
 - (a) releasing the information in the record to the subject of the record would be detrimental to the subject's mental health or to the safety of any individual; or
 - (b) releasing the information would constitute a violation of normal professional practice and medical ethics; and
- (3) the governmental entity has properly classified the record.
